ACKNOWLEDGMENTS

Alhamdulillahirabbil'alamin, all praise is due to Allah SWT, the Almighty and Merciful, who always gives the writer blessings, strength, and helps the writer to complete this thesis. Blessings may also be given to Prophet Muhammad SAW, his families, and his followers.

The writer would like to express the deepest gratitude to the supervisors Yanti Sri Rezeki, M.Ed., Ph.D., and Dwi Riyanti, M. A., Ph.D., for their invaluable patience, guidance, and suggestions to accomplish this thesis. The writer also would like to show deep appreciation to the examiners Urai Salam, M. CALL., Ph.D., and Surmiyati, M.Ed., Ph.D., for the feedback and suggestions that helped the writer improve this thesis. The writer also could not have progressed on this thesis without the help of the evaluator, Euis Nuraeni, S.Pd, who generously helped the writer evaluate the learning media, which is the product of this study. The writer would also not neglect to mention the writer's parents who always pray for the best, give support, and motivate during this process. Furthermore, the writer would also like to thank SMAN 10 Pontianak for allowing the writer to conduct research there.

The writer would like to extend sincere gratitude to all people below who have given the writer assistance and moral support so that the writer can finish this thesis.

1. Dr. Ahmad Yani T, M. Pd., M. Pdi. as Dean of Teacher Training and Education Faculty;
2. Dr. Patriantoro, M. Hum. as Head of the Language and Arts Department
3. Yanti Sri Rezeki, M.Ed., Ph.D. as Head of English Language Education Study Program;
4. All Lecturers of the English Language Education Study Program who help the writer during the study process;
5. Sukran, M.Pd. as Headmaster of SMAN 10 Pontianak who had permitted the writer to conduct the research at the school;
6. Euis Nuraeini, S.Pd. as English teacher at SMAN 10 Pontianak;
7. Students grade XI IPS 1 SMAN 10 Pontianak for their contribution and cooperation in this research;
8. Comdev and Outreaching and Directorate General of Belmawa Kemenristekdikti as the financial support that funded the writer's study at Universitas Tanjungpura;
9. My beloved friends Meysithah Riski Dwiyani, Dhea Puspita, Anjelli Milleni, and Lia Indrawati, who helped the writer in editing the thesis, giving feedback, and moral support.

The writer hopes that the readers will probably find this thesis useful. However, the writer is aware that this thesis is still far from perfect. As a result, any critiques, opinions, or advices for enhancing this thesis are greatly appreciated.
